Thank you, Wolfpack

Hooglede-Gits, Belgium, 18/05/2021 – After three years as a proud main sponsor, Deceuninck would like to communicate that as of 2022 they will no longer be shirt sponsor of the cycling team led by Patrick Lefevere.

Francis Van Eeckhout (CEO Deceuninck Group) responds: “When Deceuninck and the cycling team of Patrick Lefevre found each other in October 2018, the team was going through a rough time to seek for new sponsors. As a cyclist fan and entrepreneur, I saw resemblances in the strength and reliability of the Wolfpack and our Deceuninck brand. Both ambitious and futureproof. As one Deceuninck team, we have launched our new window and door series, Elegant, successfully through Europe. Internally we find it important to keep the Wolfpack spirit alive and continue to deliver world-class products to our clients.”

Deceuninck would like to thank the Wolfpack for the joyful moments, their inspiring spirit and wishes them the best of luck in the future.

We look forward to the races in the remainder of the year and will continue to cheering for the team along the sides of the road.
